Minutes of December 5, 2019

Committee Members Present: Noelle Moeggenberg, Nate Alger, Joanie Blamer, Sonny Wheelock, Tom Bensley, Diana Bauer, Christie Minervini, Chris Barsheff,

Tom Bousamra

Others Present: Tom Bousamra (BDAI), Chris Forsyth, Chris Cramer

Forsyth provided a copy of the Request for Qualifications (RFQ) for Indigent Defense Managed Assigned Counsel Administrator for information and discussion. Goal would be to seek local defense attorney to provide oversight and monitor and follow reporting requirements. Deadline is December 16 and we will set up a review committee and hopefully will be ready to begin for Antrim County and Grand Traverse County in February.

Forsyth believes current defense counsel could probably take part in this.

Additional discussion.

It was suggested that we may want to consider adding a defense attorney to the review committee.

Chris indicated that we will most likely begin working on the application for 2021 in March.

Tom Bousamra from BDAI attended to discuss services they offer and how we might work together to provide services and not duplicate services.

Tom read their vision statement and discussed services provided for those currently incarcerated.

It was determined that it might be most helpful for Bousamra sit down with the jail administrator and sheriff and ask where the programming is and what is needed.

Joanie contacted by state yesterday for screening juveniles. Discussed money to hire a position that would take referrals and work with the entities that are at risk for juvenile court.

Meeting schedule for 2020 discussed. Should it stay the same - 1st Thursday @ 5:15 p.m. - every month or every other month or change. Noelle will speak with the Judges regarding their availability. For now it will stay the same but we will consider the time and frequency of future meetings.

No public comment.

Motion by Alger, seconded by Bensley to adjourn at 6:30 p.m..
