Subject: Medicare Update

Traverse City – After several revisions of the federal Medicare program, trying to understand Medicare in general and its parts in particular can be a frustrating experience. Although breaking Medicare into parts, such as *Medicare Part A, Part B, Part C* and *Part D.*, does help us to recognize the differences in these plans, it doesn't make the plans any easier to understand.

Each year there is a small window of opportunity to make changes to the Medicare program that you have access to. Join Fred Goldenburg, from Senior Benefits Solution, for an educational seminar, which features the changes to the Medicare supplemental insurance program and an explanation of why it was changed. The more information you have, the more prepared you will be to make the right decision for you.

The Medicare updates will be held at four of the Grand Traverse Senior Center Network locations:
The Traverse City Senior Center, 801 E. Front Street, will present the update on Tuesday, September 12, at 3:30 p.m. and Wednesday, September 13, at 9 a.m.
The update at Kingsley's location, 115 E. Blair Street, is on Wednesday, September 27, at 12:30 p.m.
Fife Lake, 77 Lakecrest Lane, will hold an update on Wednesday, October 4, at 12:30 p.m.
The Interlochen location, 9700 Riley Road, will present the update on Thursday, October 5, at 12:30 p.m.

The educational seminar is free, but advance registration is required.

For more information and to register, email dmikowski@grandtraverse.org or call 231-922-4911.
