Traverse City – The magnificent Grand Canyon; prehistoric ruins at Wupatki National Monument; Sedona's renowned Red Rocks country, which includes dramatic cliffs and multi-hued stone formations jutting up from the high desert floor; a train ride on the Verde Canyon Railroad for a trip through a beautiful protected wilderness abundant in bald eagles and wildlife; and historic copper and gold mining ghost towns, gives just a quick glimpse into an out west trip to Arizona, hosted by Grand Traverse County Senior Center Network.

The Grand Canyon and Sedona's Red Rocks – two geological marvels and both are "bucket list" destinations for people all over the world. Mayflower Tours will showcase this remarkable trip out west on Thursday, September 7, 4:30 p.m., at the Traverse City Senior Center, 801 E. Front Street.
