

Attention Voters:

Are you still in possession of your absentee ballot?

Absentee Ballots must be delivered to your **local city or township clerk** by 8:00pm Tuesday, November 3rd in order to be counted.

City and township clerks have drop boxes set up for your convenience at your local jurisdiction. DO NOT take your ballot to just any government building as it would have to be sent to your local city or township clerk and may not arrive in time to be counted. Use the address on your return envelope to find your local clerk or go to the website: Michigan.gov/vote.

Protect your vote, turn in your ballot.

Bonnie Scheele
Grand Traverse County Clerk
