## **Grand Traverse County Health Department reports public exposure site**

The Grand Traverse County Health Department would like to inform the public that a place of potential public exposure was discovered while conducting COVID-19 case investigations. Through case investigation, it was determined that a confirmed positive COVID-19 case was at the below location during their infectious period. **Exposure sites not open to the public are contacted directly.**

### **The Gym:**

Wednesday, October 28 from 4 - 7:00 a.m.

Thursday, October 29 from 4 - 7:00 a.m.

If you were present at the above location during the listed time periods, you should self-monitor for COVID-19 symptoms for 14 days since the possible exposure, **particularly if you were not wearing a mask or maintaining 6 foot distance from others.**

Symptoms include: fever, cough, shortness of breath, vomiting, diarrhea, muscle aches, repeated shaking with chills, headache, sore throat and new loss of taste or smell.

**Anyone that is self-monitoring as a result should have a heightened sense of awareness that you could become infectious at any point during the 14-day self-monitoring period. Please keep this in mind when interacting with family, friends and the public.**
