Subject: Message to Membership

Good evening, this is a pre-recorded message from Lori Wells at the Senior Center Network with your weekly update on how WE are managing the Corona Virus, otherwise known as COVID19. Today, Governor Whitmer issued an Executive Order closing all “recreation centers” to protect the public health, and provide essential protections to vulnerable Michiganders. Closures of our center and many other public places is reasonable and necessary to mitigate the spread of COVID19. This order is in effect until March 30, 2020. Staff will be at the senior center per our usual schedules to answer phones, and emails to provide you with information and assistance as we are able. Meanwhile, we are also exploring creative ways to address this period of isolation. We will keep you posted on what we come up with AND if you can help. If you would like to opt out of this weekly update, that will be provided on Monday and Friday afternoons, please call and let us know. Please protect yourself and others by taking this social distancing recommendation seriously. Minimize your contact with others for URGENT purposes. Take this time to read a book, call a friend, take a walk outside and reflect on how blessed we are in so many ways. We miss you already and hope this period flies by, so we can all be together again.
