Dear Senior Center Friends – Curbside Meals Week Thirty-Two

**THEME of the WEEK:** Ghosts and Halloween

Trick or Treat? Both are kind of fun, don't you think? As another holiday comes and goes we are reminded to stay safe and stay well. Remember to get your flu shot and care for yourself during the season. As we come into November, the Senior Center is opening up for some very limited programs/services. Please refer to your November/December newsletter. Re-opening won't be easy and it won't be like it was before, but your safety and the safety of our staff will be cared for. Please be patient, gracious and caring to us and one another. This is new for all of us.

Some of you are asking about winter meals. I am quite certain that we will continue with curbside meals until meals can be served indoors. We are meeting with Meals on Wheels this week to discuss our winter options. We want to keep everyone safe and be thoughtful about the winter weather and what that means for your driving and our standing outside 😊 Stay tuned, we will keep you in the loop.

**NEXT WEEK'S THEME: All Politics Aside**

And the winner is.....

Our thanks to Meals on Wheels for collaborating with us to prepare the Curbside Meal Services during COVID 19. If you are unable to get out or know someone who can't, please contact Meals on Wheels at 231-947-3780 to see about being put on the delivery route. Monthly, Meals on Wheels will send out statements indicating how many meals you picked up with instructions on how to make a **donation** to cover cost, if you are inclined to do so. Please understand there is absolutely **NO OBLIGATION** to pay for the meals. We understand this is a difficult time for everyone. We would be devastated to learn of anyone who wasn't taking meals due to cost.
