Dear Senior Center Friends – Curbside Meals Week Thirty-six

The Curbside theme this week is: Thanksgiving: Defined.

Despite all the hardships that has made up 2020 for many of us so far, there is still a lot to be thankful for. It is easy, perhaps, to focus on the negative. Especially given there has been so much for many of you. Nonetheless, I challenge each of you to take a few minutes on Thanksgiving to reflect on the positives in your life. Whether this is having a safe place to sleep or that there are people who love and care about you. There is always something to be thankful for.

At this last curbside of the year, I want to extend a “thank you” to the Goodwill kitchen, the Meals on Wheels staff, the volunteers who helped during curbsides throughout the year, Area Agency on Aging for providing the fresh food boxes, the Senior Center Staff who helped make my crazy theme’s each week a reality and most importantly, all of you.

If any of you are interested in receiving the frozen meals throughout the winter, please call 231-947-3780 and ask for Meals on Wheels.

I wish each of you a very safe and happy holiday season. We will see you next year.

Sincerely,

Leslie Sneller, SPMC

Program Coordinator
