

## GRAND TRAVERSE COUNTY ENVIRONMENTAL HEALTH

The Grand Traverse County Health Department will be sponsoring several ServSafe© foodservice sanitation courses for foodservice owners, operators, managers and supervisors. The primary focus of this training is to raise awareness of the importance of food safety and to make food safety training and education as accessible as possible.

The classes each consist of a 1-day, 8 hour session. There is an exam for certification at the end of the class session. It is recommended that participants sign up **at least** 1 month prior to the class to have ample time to read and review the course material. The class is meant to be a review of the material contained in the ServSafe course book. The course is being taught out of the 7<sup>th</sup> Edition ServSafe Manager Book.

### Class dates are as follows:

**May 15, 2019**

**October 16, 2019**

Class dates are all on Wednesday's from 8am until 5pm and will be held at the Health Services Building located at:  
2600 LaFranier Rd.  
Traverse City, MI 49686

Please complete the following registration form for all participants. Each participant **must have their own exam answer sheet** and will be asked for proper identification (i.e. driver's license or state ID) at the class. If you are using an old book or borrowing a book, please verify with the Environmental Health staff **at least 2 weeks prior** to the class that there will be answer sheets available for your use.

Classes are limited to 35 students and are filled on a first come first served basis. Payment in full is required to confirm a seat in each class. Once payment is received, there are no refunds, but substitutions or rescheduling is allowed. Refreshments will be provided and there will be at least a 30 minute break for lunch. Due to the increased number of dietary restrictions, lunch will be the responsibility of the student.

If you have any questions, require assistance or accommodations, please call 231-995-6018.
