# The Upside of Aging

Volume 2, Issue 6

June, 2018

## Independence Day

The Commission on Aging will be closed on Wednesday, July 4th for the Independence Day holiday.

We will not be providing services on, or rescheduling appointments for this holiday.

If this is your regular scheduled day of service, we will see you on your next normally scheduled day.

## Policy Change

Effective July 1, 2018, the Commission on Aging will start charging clients a \$10 fee for cancellations with **less than 48 hours** notice, which are not due to an emergency, such as hospitalization.

Lately, cancellations have become a huge problem. Our worker's are left without a client to see, and with the present 24 hours notice, there is insufficient time to reschedule them with another client who could use our services.

We are asking that you try to make your appointments on a day where your worker will not be visiting your home, and please give us at least 48 hours notice if you must cancel .
